The Australian International School- Dhaka, Bangladesh is an international school serving students from 3-18 years old. The school uses the Australian National Curriculum and is accredited by the Western Australian government. The Curriculum Framework integrates eight learning areas to ensure a balanced education and a strong foundation for each child. This power of eight includes: English, Mathematics, Science, Health, Technology, Arts, Society and the Environment, and Mother Language.

At the senior level - inspections, moderations and external exams are monitored by the Western Australian School Curriculum and Standards Authority as well as AusIS is all through an IB PYP, MYP and DP candidate school.

It is always intended to look for qualified and experienced personnel to work with AusIS for its expansion and continuation in developing teaching capacity.

Following position is urgently needed for AusIS and interested candidates are requested to apply in compliance with job specification and job description stipulated herein under:

- **Position: Lab Technician**
- No of vacancy: 3 (Three) – Physics, Chemistry and Biology

To be a successful teaching laboratory technician the incumbent is needed a thorough and meticulous approach as well as strong scientific and technical knowledge.

As a teaching laboratory technician, the incumbent will work in Laboratory of AusIS and following tasks will involve supporting the work of science teachers and their students to ensure that they:

- make the best use of the time they spend in the laboratory;
- use equipment safely;
- accurately record the results of their work.

The role of Lab Technician will mainly involve providing technical support, ensuring that equipment is functioning properly and is ready to use, and that the right materials are available for particular lessons.

Sometimes laboratory technicians need to work closely with students to explain or demonstrate experiments or how to use equipment, as well as helping teachers with a class and supporting individual students on research projects.

## **Required Qualifications:**

- having a Bachelor or Master degree in related field;
- experience as Lab Technician in any International English medium school with minimum 1 year experience;
  - 'O' level and 'A' level is preferable;
  - Having IB curriculum training and experience with IB School will be given mostly preference;

## **PERSONAL ATTRIBUTES:**

- Reliable and supportive;
- Honest and ethical;
- Proactive;
- Organized;
- Team oriented;
- Caring and compassionate;
- Self-motivated;

## **COMPENSATION:**

The salary and benefit package is competitive and will be commensurate with the qualifications and experience of the successful candidate based on the School's pay scale.

## **HOW TO APPLY:**

Interested candidates can email their resume with a letter of application to: [hr@ausisdhaka.net](mailto:hr@ausisdhaka.net).

The Candidate also can send the printed resume with a letter of application to: **Sr. Executive, Human Resources Department, Australian International School Dhaka**, House # 2B, Road # 84, Gulshan – 2, Dhaka **by January 25, 2017**.

Position should be mentioned at the top of the envelope.
